

Hello Store Manager!

This is a friendly note to let you know that one of your dedicated customers is requesting you carry Hook Line and Savor in your store.

Hook Line and Savor's frozen prepared seafood items are deep down delicious and allergy-friendly. Made with the highest quality fish that is sustainably sourced, because you want fish that tastes great and that you can feel good about where and how it was caught. We are so proud of our fish that we print a catch code on the top of each box, so you can find out where your fish is from.

If interested in carrying our products, please check with your distributor or contact Hook Line and Savor at <http://www.hooklineandsavor.com/faq.html> or (833)457-2867 for more information.

Thank you! The Hook Line and Savor Team and _____ (loyal customer)
